Product Description

Spartan Mowers RT-Pro 61" Kawasaki FT730 Zero-Turn Mower - Ultra Premium Suspension Seat

Advantages & Features

- **HD FUSION WELDED FRAMES:** The frames on RZ-C models and up are constructed from heavy-duty 3" x 1.5" 11-gauge tube steel. Without a doubt, Spartan Mowers are built tough.
- **PARKING BRAKE PEDALS:** Another feature that helps you maintain control is the foot-controlled on and off parking brake, which allows you to keep both hands on the control levers. *Standard on the RZ, RT, SRT, and KGZ series.
- **12V OUTLET:** Not only a place for your phone, but a way to charge it or to power other 12V items. *Standard on RZ-C models and up. Storage pocket not included on RZ models.
- **ENHANCED XTF DECK SYSTEM:** Our Xtreme Turf Flow (XTF) decks have been redesigned and enhanced to meet the spring, summer, and fall mowing conditions everywhere. This enhanced deck system is available on all models from the Defender up.
- **VIBRATION CONTROLLED DECK:** Standard on all RZ-C models and up, the vibration controlled deck system with a one-piece idler puller and shock absorber eliminates belt whip and reduces vibration.
- **HILLSIDE / TRACTION:** Spartan Mowers has engineered superior technology that combines perfect balance with superb incline control for a better ride. Take it on an incline and feel the difference. *Industry standard does not recommend mowing on inclines over 15 degrees.
- **HIGH QUALITY PARTS:** Commercial-grade DNA is a key characteristic of Spartan Mowers, so our models feature the same heavy-duty components across the lineup.
- **DESIGN & STYLE:** Our passion for muscle cars from the late '60s has fueled the design of Spartan Mowers. Mow in style and turn heads with the stealthy profile of a Spartan.
- **7-GAUGE STEEL DECKS:** Defender models and up feature heavy-duty decks fabricated from 7-gauge steel. Check out the competition and see the difference for yourself.

- **ADJUSTABLE STEERING ARMS:** Adjustable steering arms add comfort for the best fit while mowing.
*Standard on the RZ-HD Blackout and up. Available upgrade on the RZ-C, RZ, RZ-Pro, & RZ-HD.
 - **EZ DEBRIS REMOVAL:** To help keep your machine cleaner after each use, our belt covers are open in all directions for easy removal of accumulated debris.
 - **RESILIENT BUSHINGS:** Special resilient bushings on the mower stabilizing arms reduce the shock and damage to the mower if it hits curbs, stumps, or other debris.
 - **3-year Warranty**
-
