Product Description

Cub Cadet Z1 42S 42" Zero Turn Mower

Answer the call of large properties and varying terrain with the Ultima Series™. The Ultima Series Z1 42S 42-in. 547cc Zero-Turn Lawn Mower With IntelliPOWER® And Synchro-Steer™ is engineered for precision, control, and stability on challenging terrain. Don't back down from hills and slopes up to 20-degrees. Synchro-Steer™ technology offers 4-wheel control and provides stability for straight-line mowing on hillsides and slopes up to 20-degrees*. Experience uncompromised performance and durable strength, designed to help you mow efficiently and maintain control.

- Experience the ultimate in control even when facing slopes and hills up to 20-degrees with [Cub Cadet®](#) steering wheel zero-turns equipped with patented Synchro-Steer™ technology.
- IntelliPOWER® Engines deliver up to 18% more available power*, resulting in less bogging down when mowing in challenging conditions like tall, thick, or wet grass.
- A 11-gauge steel welded, heavy-duty fabricated AeroForce™ Max deck with side, top and leading-edge reinforcements equips you with the right amount of strength for consistent cut quality.

Features

- **42" AeroForce™ Max Fabricated Deck** - 11-gauge steel welded deck with reinforced edges for consistent, high-quality cutting performance.
- **IntelliPOWER® AX90Z0 Engine System** - Delivers up to 18% more available power for improved performance in tough mowing conditions.
- **Synchro-Steer™ 4-Wheel Control Technology** - Provides enhanced stability and precise control for straight-line mowing on slopes up to 20-degrees.
- **Ultima Series™ Zero-Turn Platform** - Engineered for precision, control, and stability across large and uneven properties.
- **Heavy-Duty Deck Reinforcement Design** - Built with side, top, and leading-edge reinforcements for long-term durability.
- **Slope-Ready Performance Capability** - Designed to maintain traction and control on hills and challenging terrain.
- **Consistent Cut Quality System** - Optimized airflow and deck design for clean, even mowing results.
- **Rugged Commercial-Grade Construction** - Built for strength and reliability in demanding mowing

environments.

Best Use

- **Large Residential Properties** - Ideal for homeowners managing expansive lawns with uneven terrain.
- **Hilly and Sloped Landscapes** - Designed for safe and controlled mowing on inclines up to 20-degrees using mower maintenance tips for optimal performance.
- **Challenging Grass Conditions** - Handles tall, thick, or wet grass with improved power delivery.
- **Precision Lawn Care Work** - Suitable for users who need control, stability, and consistent cutting results across varied terrain.

Zero-Turn Mower for Precision Control on Tough Terrain

The Cub Cadet Z1 42S Zero Turn Mower delivers advanced control and stability with its 42-inch AeroForce™ Max fabricated deck, IntelliPOWER® engine system, and Synchro-Steer™ 4-wheel steering technology. Built for sloped and challenging landscapes, it provides powerful performance, smooth handling, and consistent cut quality. This [reliable zero turn mower](#) is designed for property owners who need precision, power, and confidence on every pass. For more information, [contact us today or get financed today](#).
