Product Description

Cub Cadet Z2 46 46" Zero Turn Mower

Answer the call of large properties and varying terrain with the Ultima Series™. The [Cub Cadet® Ultima Series](#) Z2 46 46-in. 21.5 HP*/726cc Zero-Turn Lawn Mower with AeroForce™ Fabricated Deck and premium comfort features is engineered to provide the ultimate mowing experience. Built for uncompromised performance, durable strength, and proven results this mower helps you tackle hills and slopes up to 15-degrees. Save time mowing with an Ultima Series™ zero-turn, 25% faster than a tractor**

Features

- **21.5 HP / 726cc Kawasaki® FR651V Engine** - Delivers dependable power for consistent mowing performance on large properties.
- **46" AeroForce™ Welded Fabricated Deck** - Heavy-duty steel deck designed for durability, even cutting, and reduced clumping.
- **Smooth Arc Cutting System** - Produces a clean, even cut with fine clippings and minimal stragglers.
- **Dual Hydrostatic Transmissions** - Provides smooth operation with no shifting required for easy speed control.
- **Ground Speeds up to 7 MPH Forward / 3.5 MPH Reverse** - Helps improve mowing efficiency and reduce overall cutting time.
- **Slope Capability up to 15 Degrees** - Built to handle mild inclines and uneven terrain with stable performance.
- **Zero-Turn Maneuverability** - Allows precise turning and efficient navigation around obstacles.

Best Use

- **Large Residential Properties** - Ideal for homeowners managing wide, open lawns.
- **Mixed Terrain Lawns** - Suitable for areas with mild slopes and uneven ground.
- **Semi-Professional Lawn Care Use** - A strong option for small landscaping operations and property maintenance work.
