Product Description

Cub Cadet Z2 54 54" Zero Turn Mower

Answer the call of large properties and varying terrain with the Ultima Series™. The [Cub Cadet®](#) Ultima Series Z2 54 54-in. 23 HP*/726cc Zero-Turn Lawn Mower with AeroForce™ Fabricated Deck is designed to deliver uncompromised performance, durable strength, and proven results. Built with premium comfort features engineered to provide the ultimate mowing experience, this mower helps you tackle hills and slopes up to 15-degrees. Save time mowing with an Ultima Series™ zero-turn, 25% faster than a tractor**

- The Ultimate Mowing Experience from Cub Cadet® is powered by a reliable 23 HP*/726cc Kawasaki® Engine.
- Dual hydrostatic transmissions are designed to eliminate shifting and allow for quick and easy 7 MPH forward (3.5 MPH reverse) ground speeds for a smooth drive.
- An AeroForce™ welded, heavy-duty fabricated deck delivers a signature cut with few clumps and stragglers, fine clippings and evenness.

Features

- **54" AeroForce™ Fabricated Deck** - Heavy-duty welded deck delivers a clean, even cut with reduced clumping and consistent mowing performance.
- **Kawasaki® FR691V Engine** - 23 HP twin-cylinder engine provides dependable power for demanding mowing applications.
- **Dual Hydrostatic Transmissions** - Eliminates shifting and delivers smooth, responsive control for efficient operation.
- **Up to 7 MPH Forward Speed** - Enhances productivity by reducing mowing time on large properties.
- **Up to 3.5 MPH Reverse Speed** - Improves maneuverability in tight or complex mowing areas.
- **Slope Capability Up to 15°** - Designed to handle uneven terrain and mild slopes with stable performance.
- **Ultima Series™ Engineering** - Built for durability, comfort, and consistent commercial-grade results.
- **High-Efficiency Cutting System** - Produces fine clippings and an even, professional-quality finish.

Best Use

- **Large Property Maintenance** – Ideal for mowing expansive lawns and acreage efficiently.
- **Light Commercial Landscaping** – Suitable for professional crews needing consistent performance and durability.
- **Mixed Terrain Lawns** – Performs well on uneven ground and mild slopes up to 15 degrees.
- **High-Volume Lawn Care** – Designed to reduce mowing time compared to traditional tractor units.

Commercial Zero Turn Mower for Efficient Large Property Maintenance

The Cub Cadet Z2 54 Zero Turn Mower delivers reliable performance with a 54" AeroForce™ fabricated deck, Kawasaki® FR691V engine, and dual hydrostatic transmissions designed for smooth and efficient mowing.
