Product Description

Cub Cadet Z2 54P 54" Zero Turn Mower

Answer the call of large properties and varying terrain with the Ultima Series™. The Cub Cadet® Ultima Series Z2 54P 54-in. 23 HP*/726cc Zero-Turn Lawn Mower with AeroForce™ Fabricated Deck is designed to deliver uncompromised performance, durable strength, and proven results. Built with premium comfort features engineered to provide the ultimate mowing experience, this mower helps you tackle hills and slopes up to 15 degrees. Save time mowing with an Ultima Series™ zero-turn, 25% faster than a tractor**

- The Ultimate Mowing Experience from Cub Cadet® is powered by a reliable 23 HP*/726cc Kawasaki® Engine.
- Dual hydrostatic transmissions are designed to eliminate shifting and allow for quick and easy 7 MPH forward (3.5 MPH reverse) ground speeds for a smooth drive.
- An AeroForce™ welded, heavy-duty fabricated deck delivers a signature cut with few clumps and stragglers, fine clippings, and evenness.

Features

- **54" AeroForce™ Fabricated Deck** - Heavy-duty welded deck delivers a clean, even cut with minimal clumping and consistent performance.
- **Kawasaki® FR691V Engine** - 23 HP twin-cylinder engine provides reliable power for demanding mowing conditions.
- **Dual Hydrostatic Transmissions** - Eliminates shifting and ensures smooth, responsive control during operation.
- **Up to 7 MPH Forward Speed** - Enhances productivity for faster mowing on large properties.
- **Up to 3.5 MPH Reverse Speed** - Improves maneuverability in tight or complex mowing areas.
- **Slope Capability Up to 15°** - Designed to handle uneven terrain and mild slopes with stable performance.
- **Ultima Series™ Design** - Built for durability, comfort, and consistent cutting results in demanding conditions.
- **Commercial-Grade Cutting Efficiency** - Produces fine clippings and a smooth, even lawn finish.

Best Use

- **Large Property Maintenance** - Ideal for efficiently mowing expansive lawns and acreage.
- **Professional Lawn Care Services** - Suitable for contractors requiring consistent, durable performance.
- **Mixed Terrain Applications** - Performs well on uneven ground and gentle slopes up to 15 degrees.
- **High-Volume Mowing Jobs** - Designed to reduce mowing time compared to traditional tractor-style machines.

Commercial Zero Turn Mower for High-Efficiency Property Maintenance

The Cub Cadet Z2 54P Zero Turn Mower delivers reliable performance with a 54" AeroForce™ fabricated deck, Kawasaki® FR691V engine, and dual hydrostatic transmissions designed for smooth and efficient mowing.
