Product Description

Cub Cadet Z3 54 54" Zero Turn Mower

The Ultimate Mowing Experience is about to step up with enhanced comfort and performance designed to deliver the proven results you expect from the Ultima Series™. The Cub Cadet® Ultima Series Z3 54 54-in. 24 HP*/726cc Zero-Turn Lawn Mower with AeroForce™ Fabricated Deck delivers the uncompromised performance, durable strength, and proven results needed to tackle hills and slopes up to 15-degrees. Work in comfort with a high back seat and save time mowing with an Ultima Series™ zero-turn, 25% faster than a tractor**.

- The Ultimate Mowing Experience from Cub Cadet® is powered by a reliable 24 HP*/726cc Kawasaki® Engine built to meet fierce demands.
- Dual hydrostatic transmissions allow for quick and effortless 7.5 MPH forward (3.5 MPH reverse) ground speeds that leaves your lawn with a professional-quality finish.
- A 11-gauge steel welded, heavy-duty fabricated AeroForce™ Max deck with side, top and leading-edge reinforcements equips you with the right amount of strength for consistent cut quality.

Features

- **24 HP Kawasaki® FR730V Engine** - Delivers reliable power and performance to handle demanding commercial mowing applications.
- **54-Inch AeroForce™ Max Fabricated Deck** - Provides wide cutting coverage and consistent cut quality with heavy-duty construction.
- **11-Gauge Steel Deck Construction** - Features welded fabrication with side, top, and leading-edge reinforcements for added durability.
- **Dual Hydrostatic Transmissions** - Enable smooth operation and responsive maneuverability for professional mowing results.
- **7.5 MPH Forward Speed** - Helps increase productivity and complete mowing tasks faster than traditional lawn tractors.
- **Slope Capability** - Engineered to tackle hills and slopes up to 15 degrees with confidence.
- **High-Back Comfort Seat** - Enhances operator comfort during extended mowing sessions.

- **Commercial-Grade Design** - Built for commercial users seeking durability, performance, and efficiency.

Best Use

- **Commercial Landscaping** - Ideal for lawn care professionals maintaining large residential and commercial properties.
- **Large Acreage Mowing** - The 54-inch deck helps maximize productivity and reduce mowing time.
- **Hilly Terrain Maintenance** - Designed to deliver reliable performance on slopes up to 15 degrees.
- **Fleet Expansion Opportunities** - A great option for contractors looking to take advantage of the [Pennyrile promotion](#) while upgrading their mowing equipment.
- **Routine Equipment Care** - Supports long-term performance when paired with mower maintenance tips and regular service schedules.
