Product Description

Cub Cadet ZTS1 42 IP Zero-Turn Mower

The Ultima Series ZTS1 42IP 42-in. 547cc Zero-Turn Lawn Mower With IntelliPOWER® And Synchro-Steer™ is designed to deliver a premium cut with few clumps and stragglers, fine clippings and evenness. IntelliPOWER® Technology delivers up to 18% more available power*, resulting in less bogging down when mowing in challenging conditions like tall, thick, or wet grass. Synchro-Steer™ technology offers 4-wheel control and provides stability for straight-line mowing on hillsides and slopes up to 20-degrees. Dual hydrostatic transmissions engineered for quick ground speeds that leaves your yard with a professional-quality finish. A continuous tubular steel frame with fully e-coated corrosion defense system designed to help protect against wear and tear.

Feature

- Synchro-Steer™ technology offers 4-wheel control and provides unrivaled stability for straight-line mowing on hillsides and slopes up to 20-degrees
- A 547cc Cub Cadet® IntelliPOWER® Engine delivers up to 18% more available power*, resulting in less bogging down when mowing in challenging conditions like tall, thick, or wet grass.
- Dual hydrostatic transmissions allow for quick and effortless 7 MPH forward (3.5 MPH reverse) ground speeds that leaves your lawn with a professional-quality finish.

Best Use

- **Residential Lawn Care** - Ideal for homeowners needing a reliable cub cadet zts1 42 for regular mowing.
- **Sloped & Uneven Yards** - Synchro-Steer™ control improves stability on hills and inclines.
- **Thick or Challenging Grass Conditions** - IntelliPOWER® engine helps maintain performance in tough mowing environments.
- **Suburban Property Maintenance** - A strong option for users looking for a dependable [cub cadet lawn mower](#) for home use.
