Product Description

Cub Cadet Z3 60 S Zero-Turn Mower

The Ultima Series Z3 60 S 60-in. 24hp Zero-Turn Lawn Mower With Kawasaki® And Synchro-Steer™ is designed to deliver a premium cut with few clumps and stragglers, fine clippings and evenness. Kawasaki® FR Series provides best in class reliability and power plus patented V-Valve technology. Synchro-Steer™ technology offers 4-wheel control and provides stability for straight-line mowing on hillsides and slopes up to 20-degrees. Dual hydrostatic transmissions engineered for quick ground speeds that leaves your yard with a professional-quality finish. A continuous tubular steel frame with fully e-coated corrosion defense system designed to help protect against wear and tear.

Features

- **24 HP Kawasaki FR730V Engine** - Delivers reliable performance with V-Valve technology for consistent power and durability.
- **42-Inch Cutting Deck** - Compact deck size designed for precise mowing and maneuverability in residential lawns.
- **Synchro-Steer™ Technology** - Provides 4-wheel control for improved stability and straight-line mowing on slopes up to 20 degrees.
- **Dual Hydrostatic ZT-2800 Transmissions** - Serviceable transmission system delivering smooth control and up to 7.5 MPH forward speed.
- **Ultima ZTS1 Platform** - Engineered for enhanced comfort, stability, and premium cutting performance.
- **Corrosion-Resistant Steel Frame** - Continuous tubular steel frame with e-coated protection for long-lasting durability.
- **Efficient Reverse Speed Control** - Supports up to 3.5 MPH reverse operation for improved maneuverability.
- **Professional-Quality Cut Performance** - Designed to produce even cuts with reduced clumping and stragglers.

Best Use

- **Residential Lawn Maintenance** - Ideal for homeowners seeking a premium zero-turn mower with enhanced stability.
- **Sloped or Uneven Yards** - Synchro-Steer™ technology makes it suitable for hills up to 20 degrees.
- **Precision Mowing Applications** - 42-inch deck allows for tight maneuvering around landscaping and obstacles.
- **Comfort-Oriented Users** - Built for smooth handling, control, and reduced operator fatigue.
- **Exploring Cub Cadet Equipment Options** - A strong choice for buyers researching the [Cub Cadet mower lineup](#) and [pennyrile discounted equipments](#) for value-focused residential zero-turn solutions.
