Product Description

Cub Cadet ZTX4 60" Zero-Turn Mower

- 24 HP 725cc Kohler® KT-Pro 7000 series V-twin OHV engine built for reliable starting and a quiet operation
- Dual hydrostatic transmissions allow for 8 MPH forward (3.5 MPH reverse) ground speeds
- A high-strength, continuous 1.5 in. x 3 in. tubular steel frame with fully e-coat lower frame and corrosion defense system, a multi-step process that electronically applies corrosion resistance with meticulous care to help protect against wear and tear

Features

- **24 HP 725cc Kohler® KT-Pro 7000 Series V-Twin OHV Engine** - Provides reliable starting and quiet, dependable residential mowing performance.
- **60" Fabricated Cutting Deck** - Offers wide cutting coverage to improve efficiency on large residential properties.
- **Dual Hydrostatic Transmissions** - Deliver responsive zero-turn handling with speeds up to 8 MPH forward and 3.5 MPH reverse.
- **High-Strength Tubular Steel Frame** - Features a continuous 1.5" x 3" steel frame for outstanding durability and rigidity.
- **Corrosion Defense System** - Includes a fully e-coated lower frame with a multi-step corrosion-resistant finish to help protect against wear and tear.
- **Residential Zero-Turn Performance** - Designed to provide smooth handling, durability, and consistent cutting results.

Best Use

- **Large Residential Properties** – Ideal for homeowners maintaining expansive lawns with greater speed and efficiency.
- **Precision Lawn Maintenance** – Zero-turn maneuverability makes it easy to mow around landscaping features and obstacles.
- **Routine Property Care** – Built for dependable weekly mowing with commercial-inspired durability.
- **Equipment Savings** – Explore the latest [Pennyrile equipment deals](#) to find outstanding value on outdoor power equipment.
